***CJA Honors Mr. Michael Cohen and Ms. Diane Cummins
with the 2018 Scales of Justice Award***

CJA is pleased to have honored Mr. Michael Cohen and Ms. Diane Cummins of the Department of Finance, with the 2018 “Scales of Justice Award” in recognition of their contribution to our courts and the people we serve. This was the proper time to honor them because for the first time in many years, they were able to say 'yes' to the judicial branch ask for the restoration of some of our lost operational money as well as creative ways to provide desperately needed funds for on hold construction projects. CJA applauds Mr. Cohen and Ms. Cummins and truly appreciates their service to the state and the judicial branch.
