Dear Colleagues:

The Honorable Teresa Guerrero-Daley, our beloved colleague, traded her robe for a pair of wings yesterday.

Teresa achieved much success in her professional life as a Drug Enforcement Agent, Attorney, the Independent Police Auditor and as a Superior Court Judge. As a judge, she was most proud of her work as the Supervising Judge of the Domestic Violence Criminal Unit and her role in shaping the Teen Court of the Juvenile Dependency Unit. While a member of our Court, she worked diligently to serve her clients in a fair and compassionate manner. She also cared about her colleagues and staff in making work assignments humane and manageable when budgets were cut and resources short.

Community service was a great part of Teresa's life. As a board member of Teen Success, Lincoln Law School, the San Jose Arts Council, the Hispanic Charity Ball and the California Judges Association, she was instrumental in ensuring that each organization attained its goals.

Teresa was devoted to her husband, Frank Daley, as he was to her. They raised four sons, Peter, Ernie, Edward and Jason. Teresa's success as a parent can be measured and demonstrated by how loving and caring her sons are to their own children. Teresa loved each of her grandchildren and they gave her tremendous joy. Everyone should be as lucky as Teresa to have siblings as warm as hers. Teresa will be sorely missed by her sisters Sylvia, Ruth and Juanita and her brother Junior.

Teresa's family and friends remember her as brave, feisty, loving, fierce and giving -- A Warrior -- true to her name.

A celebration of her life is being planned and I will send details soon. If you would like to send a card to the Daley family, the address is P.O. Box 506, Morgan Hill, CA 95038. In lieu of flowers, Teresa would like you to consider donating to one of the organizations she served. Thank you.

Carrie A. Zepeda
Judge of the Superior Court
